About Harold Davis

Harold Davis is an award-winning professional photographer and the author of many bestselling photography books. His most recent titles are *Photographing Waterdrops: Exploring Macro Worlds with Harold Davis* from Focal Press and *HDR Photos: The Complete Guide to High Dynamic Range Photography*, published by Amphoto.

Harold is a Moab Paper Printmaking Master. His images are widely collected and commissioned, and his popular workshops are often sold out. He lives in Berkeley, California, with his wife Phyllis Davis and their four children. You can learn more about Harold and his photography at www.photoblog2.com.
